

**REMARKS**

Claims 1-14 were pending in this application.

Claims 1-7 and 11-14 are rejected.

Claims 8-10 are objected to.

Claims 1-14 have been amended as shown above.

Claims 15-20 have been added.

Claims 1-20 are now pending in this application.

Reconsideration of the claims is respectfully requested.

**I. 35 U.S.C. § 102 – Anticipation**

The Office Action rejects Claims 1-7 and 11-14 under 35 U.S.C. § 102(b) as being anticipated by U.S. Patent No. 4,870,484 to Sonehara (“*Sonehara*”). This rejection is respectfully traversed.

A cited prior art reference anticipates the claimed invention under 35 U.S.C. § 102 only if every element of a claimed invention is identically shown in that single reference, arranged as they are in the claims. MPEP § 2131; *In re Bond*, 910 F.2d 831, 832, 15 U.S.P.Q.2d 1566, 1567 (Fed. Cir. 1990). Anticipation is only shown where each and every limitation of the claimed invention is found in a single cited prior art reference. MPEP § 2131; *In re Donohue*, 766 F.2d 531, 534, 226 U.S.P.Q. 619, 621 (Fed. Cir. 1985).

*Sonehara* recites a color display device. (*Abstract*). The display device includes a light shutter mechanism that controls the amount of light passing through the shutter. (*Abstract*). The light from the shutter mechanism is provided to color filters. (*Abstract*).

Claims 1, 13, and 14 recite an “illumination system” that is operable to drive at least three

light-emitting diodes to change a “color temperature” of one or more pictures to be displayed by a “display device.”

*Sonehara* recites the use of a shutter mechanism to control the amount of light provided to color filters. *Sonehara* lacks any mention of driving at least three “light-emitting diodes” to change a “color temperature” of one or more pictures displayed by a display device. In fact, *Sonehara* contains no mention of taking any steps to control the “color temperature” of a picture to be displayed. As a result, the Office Action does not establish that *Sonehara* anticipates the Applicants’ invention as recited in Claims 1, 13, and 14.

Accordingly, the Applicants respectfully request withdrawal of the § 102 rejection and full allowance of Claims 1, 13, and 14 (and their dependent claims).

## II. NEW CLAIMS

The Applicants have added new Claims 15-20. The Applicants submit that no new matter has been added. The Applicants respectfully request entry and full allowance of Claims 15-20.

**SUMMARY**

For the reasons given above, the Applicants respectfully request reconsideration and allowance of pending claims and that this application be passed to issue. If any outstanding issues remain, or if the Examiner has any further suggestions for expediting allowance of this application, the Applicants respectfully invite the Examiner to contact the undersigned at the telephone number indicated below or at *wmunck@davismunck.com*.

The Commissioner is hereby authorized to charge any additional fees connected with this communication or credit any overpayment to Davis Munck Deposit Account No. 50-0208.

Respectfully submitted,

DAVIS MUNCK, P.C.
